“Your presentation was highly inspirational yet at the same time applicable to our financial advisors and their respective practices. Our sales numbers have increased significantly because of your words and the emotion behind them. We are currently up 80% over the past year and over 20% year-to-date.”

~ Agency Manager, Penn Mutual

At the age of fifteen, Scott Chesney had a spinal stroke that left him paralyzed.

It would have been understandable if Scott spent the rest of his life lamenting his misfortune. Instead, he opted to focus on his abilities rather than his disabilities.

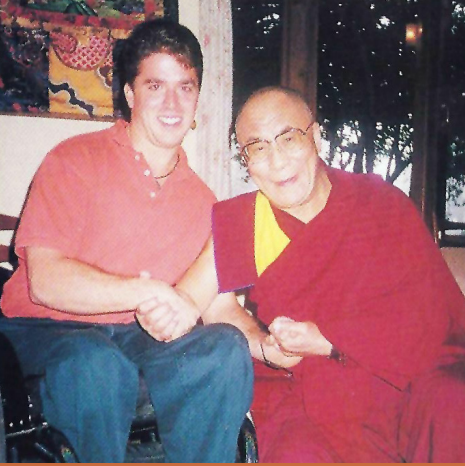

Today, Scott is widely recognized as one of the top motivational speakers in the world. He has spoken to over one million people in 38 different countries.

His clients include many Fortune 500 corporations, associations, hospitals and rehabilitation centers, as well as the United Nations, the Pentagon and the FBI!

Scott is also a Professional Life Coach to hundreds of individuals and business executives, demonstrating through word and deed, how anyone can overcome adversity and develop positive approaches to life, work and success.

As an expert in human motivation, Scott shares proven strategies and techniques combined with stories of courage and perseverance from his own life and the lives of others he has met around the world to connect with his audiences on the deepest of levels. He is truly a transformational speaker.

“Thank you for your well-organized and inspirational seminar. Your inspirational message of ‘Maximizing Change’ was so well-received, thought-provoking, and a motivational force for them.”

- The Federal Bureau of Investigation (FBI)

“What a powerful impact your presentation had on our 500+ employees in attendance. They are still going out of their way to tell me how inspiring they found your talk.”

- AVIS

Most Requested Topics & Talks

Keynote: Surviving & Thriving the Waves of Change

The dynamics of our world are changing faster than the speed of light - and the velocity, complexity and unpredictability of this change is almost staggering, particularly in this very difficult business climate. Now and in the future, success will require a true mind shift for every individual and organization.

BUT, change is inherently unsettling for almost everyone --- and it is threatening on several different levels. This dynamic presentation will address:

- The elements of change that never change
- Overcoming the toughest kinds of resistance
- Embracing change with enthusiasm, humility and humor
- Leading the change process with influence and impact
- Harnessing change as an opportunity for both business and personal transformation

Keynote: The Power in Adversity

Let’s face it; life isn’t easy today for anyone. Everyone faces adversity at some point in their lives. When it happens, you can become overwhelmed by it, and even get angry. Or, you can put your problems in perspective and view them merely as obstacles and challenges to rise above. After this life-altering presentation, you’ll be able to:

- End the blame game for yourself and others
- Take personal responsibility for your life and career success
- Overcome obstacles from the outside world and internal, self-imposed limitations
- Tap into your achievement mindset of attitude, persistence and resilience
- Reframe “failures” as fuel for useful feedback, innovation and growth

Keynote: Becoming a Courageous Leader

The human destiny of an individual is lined with personal growth and self-awareness. This journey connects us with many opportunities to emerge as traditional leaders, both professional and personal. However, as life moves at a faster pace than ever before, busier than every before, and what appears to be a more complex world than ever before, it is vital that a new type of leader evolves...a Courageous Leader. Each and every one of us has the ability and the potential to awaken the Courageous Leader within us and with Scott as your tour guide during this highly engaging and content-rich program, you will be able to:

- Master the “Art of Presence” while leveraging the past and preparing for the future.
- Identify and release your excuses for avoiding leadership opportunities in the past.
- Model the behavior and tactics of other Courageous Leaders around you and in this world.
- Unleash greater levels of communication, collaboration, teamwork, and creativity towards bigger goals and bigger results.
- Deepen and strengthen existing relationships and create new and empowering relationships.
